Unit: VIA QUINTA STRADA 20, 36071 ARZIGNANO (VI) - ITALY
Unit: VIA DELLA CONCIA 176, 36071 ARZIGNANO (VI) - ITALY

implemented the Animal Welfare tool according to the ICEC model,
concerning data collected and verified through the traceability of the supply chain
of slaughterhouses and farms of the following materials:
cow hides for furniture, leather goods, footwear and automotive.

Total rating:

The rating is achieved through risk analysis of the supply chain related to Animal Welfare of all materials procured, specifically verifying:

- compliance with the regulatory framework of the countries of origin;
- any voluntary certifications and protocols of farms and slaughterhouses;
 - breeding, transport, and slaughtening practices.
